**Humans of Purpose brings you weekly podcast conversations with inspiring and purpose-driven leaders from our local community. Equal parts wisdom, experience and banter keeps listeners coming back!**

**Average rating of 5-stars and one of the world’s top 150 education podcasts**

With an average 5-star rating over 82 reviews, our podcast has featured notable including heads of government, olympic gold medallists, best selling authors, and CEO’s of fast-growing businesses, philanthropic organisations, and not-for-profits over nearly 200 episodes since 2017. We have 4,000 weekly listeners and subscribers across Apple Podcasts, Spotify, Stitcher, Google Podcasts, Tune In, Acast and more. We rank in the top 150 education category podcasts globally - not bad given that there are now over 1 million podcasts to choose from! That’s the top .015%!

**Very informative and inspirational**

These podcasts are just wonderful! Really insightful and gets you thinking how you can make a difference in both life and in business.

**Superb content**

Great guests and topics that resonate with me on a visceral level. The interviews are raw, genuine and insightful. Perfect to unwind and keep inspired on a relax day.

**Great topics!**

Such a fantastic lineup of guests, excellent interview skills and truly inspiring topics.

**Our podcast enables our listeners and community to listen, connect and grow**

Laura Thompson, Managing Director of Clothing The Gap

Every week, guests join host Mike Davis on the podcast for relaxed conversations at his home to discuss their career journey, purpose, how they create a positive social impact through their work. Tea, coffee or single malt whiskey are provided as we traverse meaningful subjects and gain insights into business and community. The podcast gives listeners access to a curated collection of inspiring, purpose-driven leaders across the not for profit, social enterprise, philanthropy, government and business sectors. Our podcast enables our listeners and community to listen, connect and grow

My experience with Humans of Purpose was brilliant. We had a real and purposeful chat that has had an impact on our sector and my reputation.

Ben Vasiliou, CEO of Youth Projects

I created Humans of Purpose because it's the kind of podcast I wanted to enjoy listening to myself and nothing like it existed. I wanted to hear from purpose-driven leaders in my local community who are out there creating social change and progress through their work.

I've intentionally set out to create such a podcast that is sure to entertain you but also enable you to grow personally and professionally. Creating Humans of Purpose has certainly changed my life for the better and the lives of many people I know!

I hope you'll join me on this growth journey and remember - "A journey of a thousand miles begins with a single step"

Mike Davis, Founder and Host of Humans of Purpose

Chatting with Mike on the Human's of Purpose podcast was a big highlight for me personally and Society Melbourne as an organisation.

Mike creates an awesome environment that enabled me to share thoughts related to my field, this platform is incredible important for increasing the voices of social impact leaders in Australia!
